Unfinished Business:

A. MBA Proposal: Dr. Jamie Kootz discussed her proposal for the MBA program with a sports management emphasis. Changing SPMT550 Sports Communication and Public Relation to BUSA590, and changing SPMT620 Contemporary Issues in Sports Management to BUSA620. These changes would meet the needs of the MBA students who are wanting to go into coaching, and would also help the International students who need to take an on ground course to satisfy their VISA. Will return to curriculum committee for review and approval.

B. KSBN: Dr. Kraft discussed the upcoming Kansas State Board of Nursing visit, scheduled for April 8th and 9th 2020. Stated they will be meeting with this committee to discuss the process for curriculum changes, and reviewed several questions that may be asked.
