RESIDENCE HALL INFORMATION: Personal Preferences

All roommate requests must be mutual. Please check with your preferred roommate before listing their name. Just by requesting a single room does NOT guarantee you a single room. If you are not granted a single room, you will be placed in a double occupancy room with a roommate, so it is best to list your preference of roommate below. If you should need assistance with a medical condition, have a disability, or any other special needs, please contact the Student Development Office at 785-833-4327.

Roommate Preference (Please check all that apply):

_____ I have no preference on a roommate.

_____ I prefer to live with: _____

Both individuals must mutually request this arrangement

_____ I wish to be placed on the list for a private room. **(Limited Availability)**

(If the line above is marked with an 'X,' please read and sign the agreement below).

FILL OUT THE AGREEMENT BELOW ONLY IF YOU WANT A PRIVATE ROOM:

I, _____, agree that if an open room is available in the residence halls, I wish to be placed into this room as a single resident. This private room will be charged to my student account as a \$1,000.00 fee per semester. This will be automatically placed on my account upon availability of said room. If an open room becomes available in the middle of either the Fall or Spring semester, my account will be charged a prorated amount for the remainder of that semester. *Typically, freshman are not granted a private room.*

I also understand that being granted a private room one semester, does not guarantee one the following semester, and that at any given time I may be revoked of this privilege should any academic or behavioral issues arise that are detrimental to KWU and/or its constituents.
